FOR IMMEDIATE RELEASE

January 19, 2014

It is with tremendous sadness we inform you that Paramedic Chief Tim Jones has passed away suddenly tonight in North Vancouver.

Tim was the Chief at station 256 in North Vancouver and worked as an Advanced Life Support Paramedic for 32 years with the British Columbia Ambulance Service (BCAS). Aside from his service with the BCAS, Tim was well known for his many years of dedication to the North Shore Search & Rescue team.

In his over three decades of service, Tim has saved countless lives, both in our communities and in the mountains. To say that the Paramedic family and British Columbians in general have suffered a tremendous loss, would be an understatement.

3900 Paramedics and Dispatchers mourn the loss of our brother and dear friend Tim Jones.

Our deepest condolences go out to Tim's family, friends and colleagues.

Sincerely,

Bronwyn Barter
Provincial President
Ambulance Paramedics of BC
