Dear Members,

**Re: Shop Steward Learning Series – January 25<sup>th</sup>, 2022**

As you know, last year we started a monthly Shop Steward Learning Series, hosted on Zoom the last Tuesday of every month at 7 pm.

These sessions have been well received and we are excited to keep offering the series in 2022.

Based on feedback, we would like to make it as easy as possible to access the training so from now on the Zoom link for the meetings will be provided monthly via memo. We will continue to record and post the sessions online (<https://www.apbc.ca/members-area/information/shop-steward-resources/>).

Our next session is January 25<sup>th</sup> at 7:00pm PST to 8:00 pm PST. Our presenter is Sherman Hillier, our CUPE National Staff Representative. Sherman has an extensive background with CUPE 873, having served as a Regional Vice President, Regional Recording Secretary and Provincial Vice President with the local. Sherman has extensive experience with our Collective Agreement, member representation, grievances and arbitration. On January 25<sup>th</sup>, Sherman will open the floor to attendees for a Q&A session. Bring your questions about all things stewarding and join in the discussion!

Not a shop steward, but interested in becoming one? All members are welcome to join these sessions to gain further knowledge about our local, unions and member representation.
