Dear Members:

Re: Communications Committee Survey

As you may know, acting on the direction of a 2015 Convention resolution, the APBC have struck a committee to review and make recommendations about the viability of creating a Communications Department and communications plan. As part of the work of that committee, we are now engaging in an assessment of our current communications, and reaching out to the membership to determine how we can improve and enhance the ways in which we communicate within our union, and with outside stakeholders.

As part of this we are asking members to take part in a survey. We expect this will take approximately 10-15 minutes of your time. We hope that you will take the time to share with us your thoughts on how we can improve our communications with you and our other key stakeholders. The deadline to participate is midnight on September 5th, 2016.

To participate in the survey now, please visit: <https://www.surveymonkey.com/r/PQVKBBR>

Thank you in advance for your feedback.

Sincerely,

Provincial Executive Committee & Communications Committee
Ambulance Paramedics of BC
