Dear members,

Re: Expression of Interest - BCEHS Critical Incident Stress Peer Team

The Peer Critical Incident Stress Management team is now accepting applications for more peer team members. APBC supports this team and works collaboratively with BCEHS to ensure our members have access to timely and appropriate psychological support.

If you're interested in becoming a valuable part of this team, please log onto the BCEHS intranet site and look for the EOI under "job postings".

The team is looking to add paramedics of all license levels and experience.

Any questions can be forwarded to: lindsay.penarsky@apbc.ca

Sincerely,

Lindsay Penarsky
Coordinator - Peer Critical Incident Stress Management
Ambulance Paramedics of BC
CUPE Local 873
