OUR MISSION IS NEVER OVER

Honour house provides a temporary home for our Canadian Forces, Veterans, Emergency Services Personnel and their families while they travel to receive medical care and treatment in the Metro Vancouver Area.

These brave men and women, along with their families, sacrifice so much to protect our freedom and our everyday way of life. Honour House allows us the opportunity to show our support and appreciation for their selfless sacrifice.

A HOME AWAY FROM HOME

Honour House provides a comfortable, family-oriented environment within the tranquillity of the historical neighbourhood of Queen's Park, New Westminster, BC. Set on a quiet, tree-lined street, resting in its own beautifully manicured gardens, Honour House is a fully modernized, wheelchair accessible heritage home. The house has 10 private, en suite bedrooms, a large shared kitchen and dining area, a media room and multiple living areas and common spaces where residents can find comfort and relax or mingle with other guests.

HELP US TO HELP OUR HEROES

Honour House receives no direct funding and relies heavily on the fundraising efforts of its Board members, volunteers and generous donations from the business community, public and private organizations and the general public. No matter how big or small, your donation or gift will make a difference. Donate on line by visiting our web site or send a cheque made payable to Honour House Society or call us today to find out more about how you can help.
