Dear Members;

Re: Member Update - Provincial Posting Round #3 Error and Amended Extension

On April 13, 2023 the Union identified an error on the round 3 Provincial Posting and raised the issue with the Employer.

Specifically, the information on current positions/resources located in the link of the posting, was not up-to-date and did not provide applicants with an accurate listing of resources at each station for the purpose of filling out the Provincial Posting Post Shuffle Preference form.

The parties discussed the matter today, an amended posting is now available with an accurate listing of the resources at each station to ensure members can apply for all available positions. Further, the posting closing date has been extended to April 26, 2023.

The employer has sent out a memorandum today explaining the error and corrections which can be found [HERE](#).

All member who applied to **Posting: EB 23:087 Full-time Regularly Scheduled PCP Provincial Posting Round 3** should review their submission and make amendments to their Provincial Posting Post Shuffle Preference form if needed.

All members can re-submit a Provincial Posting Post Shuffle Preference form at any time prior to the closing of the posting.

Please feel free to reach out with any further questions or concerns.

Sincerely,

Jason Jackson
