Dear Members,

Re: Nominee Biographies – Convention 2023

Have You Been Nominated? All candidates who have accepted their nomination can now submit a biography for members to view directly on the APBC website.

Biographies can be submitted here: [Submit a Biography](#)

Biographies can be viewed here: [View Biographies](#)

Biographies can be submitted at any time until the end of the election and will be accessible for one week following the completion of the election.

Submitted biographies will require an approval before they are accessible on the website, and as a result they will not be immediately viewable. Biographies can be edited by the candidate once posted but will be subject to the approval process again.

Good luck to all the candidates!

In Solidarity,
