## KING CHARLES III CORONATION MEDAL

A Canadian commemorative medal has been created to mark His Majesty King Charles III's Coronation on May 6, 2023. The King Charles III Coronation Medal is a visible and tangible way to recognize 30 000 outstanding individuals of all ages and from all walks of life who have made a difference in their communities. The Medal will highlight themes that both King Charles III and Canadians hold dear, including service, the environment and sustainability, and our nation's diversity.

A list of nominating partner organizations, representing a broad cross section of fields of endeavour, was approved by the Prime Minister. The partners will nominate recipients who meet the criteria and present their medals.

The Chancellery of Honours, as part of the Office of the Secretary to the Governor General, will administer the King Charles III Coronation Medal program.

### Eligibility Criteria

To be eligible for this honour, a person must have:

- Made a significant contribution to the country, a province, territory, region or community, or made an outstanding achievement abroad, or has made an outstanding achievement abroad that brings credit to Canada; and
- Been alive on May 6, 2023, the date of His Majesty's Coronation. Nominations can be made posthumously, as long as the nominee was alive on that date.

The Medal may only be awarded once.

### About the Medal

The Medal was designed by the Canadian Heraldic Authority, approved by His Majesty The King and manufactured by the Royal Canadian Mint.

On the obverse is a contemporary crowned effigy of His Majesty King Charles III in coronation robes, circumscribed with the inscriptions "CHARLES III DEI GRATIA REX" and the word "CANADA". The reverse bears a depiction of the Royal Cypher (the King's monogram surmounted by the Canadian Royal Crown) with the inscriptions "6-V-2023" and "VIVAT REX" to the left and right of the Royal Cypher, respectively, all placed over the 13-point sunburst design of the Canadian Coronation emblem. The Medal is worn suspended from a ribbon of dark blue, bright red and white colours evocative of the 1902 Edward VII Coronation Medal, one of the earliest coronation medals awarded to Canadians.
