August 29, 2016

Dear Members:

The Ambulance Paramedics of BC - Ceremonial Unit will be conducting a basic drill course this September and we are looking for up to 20 Brothers and Sisters who would like to learn to march to better represent themselves when at events in uniform. It will be a full day of practice with our qualified drill instructors as well as boot polishing techniques and dress and deportment. No previous experience is required, only a desire to learn and participate in a team environment.

Space is very limited, so the first twenty members to confirm attendance will be offered the training. All expenses are the responsibility of each member.

Dress for the event will be duty pants, a dark blue t-shirt and duty boots unless you own parade boots. No duty belts, ball caps or BCAS uniform issued items.

Sept 14th in Abbotsford, 0800-1600

Please RSVP to honour.guard@apbc.ca to confirm a spot for this exciting opportunity. Please note that this training day is not a selection process for the APBC Ceremonial Unit.

In Honour,

Ceremonial Unit Executive
