Dear Members;

**Re: Vacation Selection**

As a part of the implementation of the new Collective Agreement, a Vacation Selection Committee was established to restructure processes for vacation selection. As of yesterday, this committee has updated and streamlined several vacation selection processes and has created a new guideline document that has been approved and signed by both the union and BCEHS.

Please click [HERE](#) to view a joint memorandum released by the union and BCEHS that highlights vacation selection changes for 2021.

Please click [HERE](#) to view the signed agreement.

Thank you to the other members of the vacation selection committee, Keith Taylor, Kevin Marriott and Warren Leeder, for all their hard work that led to the finalization and signing off of this agreement.

If you have any questions please reach out and contact your Regional Vice Presidents or a member of the executive board.

On behalf of the Vacation Selection Committee,

Lorraine Till  
Provincial Secretary Treasurer
